Statements and Results

Statement 1

```
create table student(name varchar(30), age int(2), gender v
```

ORA-00907: missing right parenthesis

Statement 2

```
create table student(name varchar(30), age int(2), gender v
```

ORA-00907: missing right parenthesis

Statement 3

```
create table student(name varchar(30), age number(2), gende
```

Table created.

Statement 4

```
create table student (name varchar(30), age number(2), gend
```

ORA-00955: name is already used by an existing object

```
create table student(name varchar(30), age number(2), gende
